Plan of action for all jobs listed: Continue gathering possible openings from more resources as I've focused on Indeed so far. My goal is to get my rev[...] capstone app, and react native app completed in the next couple weeks before our graduation deadline on March 27. I'm feeling like I'm at a good place [...] really focusing on having a high quality resume with apps/websites with no bugs or incomplete pages. Once I feel good about these assets I plan to appl[...] possible. There seem to be a lot of openings and I'm optimistic about my qualifications for many of them. One other area of focus will be finding out how [...] of contact to reach out to aside from just turning in resumes. I have a couple leads on this between LinkedIn premium and Gem and think it is an interesti[...] about this process.
